

# **BN\_Pr**

Юникодовый шрифт «BN\_Pr» разработан на базе шрифта «Times New Roman» специально для книги Руслана Хазарзара «Сын Человеческий». Помимо латинского, политонического греческого и кириллического шрифтов, предусмотрены литеры дореволюционной России, коптского и сирийского языков и готические символы для обозначения библейских рукописей. Шрифт также предназначен для транслитерации слов семитских языков.
